

Winter 2021

Dear Friend,

One year ago, the Friends of the Waltham Family School (FWFS) were busy planning an exciting *Fiesta! for Waltham Family School* at Solea Restaurant, when the world changed overnight, and the Fiesta! was canceled. **This year the Friends are planning a virtual *Fiesta! for WFS* and we are inviting you to support the Waltham Family School again.**

The Fiesta has always brought the community together to celebrate the work of the Waltham Family School and raise funds crucial to its operation. To live up to the WFS motto of "Together We Succeed," the Fiesta will benefit the Waltham Family School while supporting our favorite Fiesta host. Instead of tickets to Solea, **this year your sponsorship will include gift card(s) to Solea that you can use for either dine-in or take-out.** This is our way of supporting the restaurant until we can meet in-person again, hopefully next year.

At this fun event you will learn to make your own sangría; enjoy Cuban music and a clave/dance lesson by the band Los Sugar Kings; participate in an online auction; hear stories from WFS Alumni; get an update from the Waltham Family School and more.

Join other leading businesses and individuals in supporting Waltham families!

Your sponsorship directly supports the FWFS budget, which makes up 25% of the Waltham Family School's operating budget. We need your help more than ever as the Waltham Family School continues to provide educational opportunities for families learning English in these challenging times. Some of the exciting sponsorship details include:

- Feature your company's logo or your name, both during the virtual event and on our website.
- Gift card(s) to Solea Restaurant.

Can we count on your commitment to the mission of the Waltham Family School again this year?

Together we can prepare WFS preschoolers - and their parents - for Kindergarten.

For details about sponsorship, please review the enclosed form or donate online: walthamfamilyschool.org/fiesta. Any questions? Email us at: friendsofthewfs@gmail.com.

We hope you will help WFS families to continue their educational journey.
Thank you for your consideration.

Sincerely,

Tom Maehl
President, Friends of the Waltham Family School, Inc.

What is the WFS?

The WFS program prepares children for success in school, gives parents the skills to successfully partner in their children's education, and empowers them to become active members of the community. Since 2003, WFS has assisted over 500 low-income English Learner parents and children.
